ELSOC Newsletter

Term 2 Week 7 2024

From: ELSOC President
To:ug_all; EETstaff
Tue 09-Jul-24 12:24 PM

Dear EET Students and Staff,

Welcome back to ⚡Current Issues ⚡ - our Week 7 issue of Term 2, brought to you by ELSOC's Publications team. Hope flexi week has been relaxing and read on to find out more about our ELSOC Exec member of the week!

ELSOC is keen to get feedback on our work this year and take any new suggestions, so if you have a few moments to spare, please fill out the form! https://forms.gle/SXHj9e4sDyqvk3bS7

⌛ PAST EVENTS ⌛

Intro to Soldering

We had an amazing time at the Intro to Soldering workshop! It was a fun and exciting session where participants learned essential soldering skills for electronics projects.

Intro to Soldering Workshop

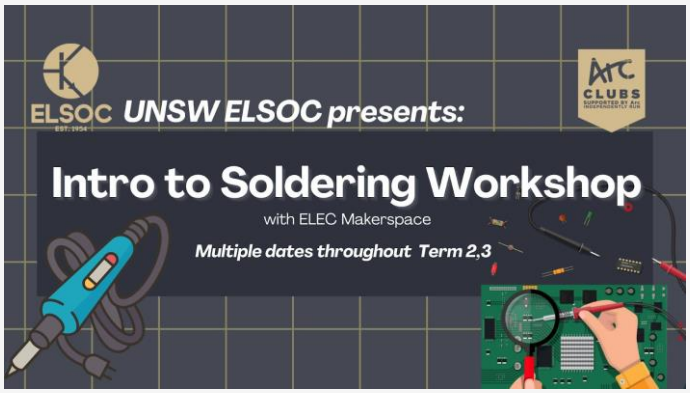
Date: Week 5 Thursday (27 / 6)

Facilitator: Josh

Thank you to everyone who joined us for this engaging event!

💡 UPCOMING EVENTS 💡

📘 Intro to Soldering 📘



Want to start building your own electronics projects? Soldering is an essential skill for all electrical engineers and electronics hobbyists! Don't want to commit to buying a soldering iron or don't have space to solder at home? Fear not, ELSOC will be running soldering workshops throughout Term 2 and Term 3 at elec makerspace!! Upon the completion of this workshop, you will receive the basic soldering badge, and unlimited access to all makerspace soldering irons! ✨✨✨

📅 Dates:
Week 7 friday (12 / 7) - Jashan
Week 9 tuesday (23 / 7) - Michael
Time: 16:00 - 18:00
📍Location: Elec Makerspace

🍸 Tropical Cocktail Party 🍸

Aloha, Party People! Ready to sip, savour, and sway in a tropical paradise? 🎉

Join us for a night of tropical bliss at the Tropical Cocktail Party! Escape to a paradise of fun, friends, and fantastic vibes as we celebrate in style at Cargo Bar's exclusive wharf-side venue. 🌺✨

🍹 EVENT INFORMATION 🍹
📅 Date: Thursday 18th of July (Week 😎

📍 Venue: Cargo Bar, Level 1 - Wharf-side Balcony View 🌊 (King Street Wharf Darling Harbour, Darling Harbour, 52-60 The Promenade, Sydney NSW 2000)
🕒 Time: 6 PM - 10 PM
🌺 Dress Code: Tropical Times. Forget the cold weather by turning up in your brightest and most colourful outfits.

⚡ Industry Night ⚡

It’s that time of year again! Are you a penultimate year student looking for that prized internship? Or a first year who just wants to find out what electrical engineers even do? Well look no further! Find out from industry representatives themselves at ELSOC’s Annual Industry Night next Monday. We’ll have reps from a suite of companies so don’t miss this 👀.

✨✨✨

📅 Date: Week 8 Monday 15/7

Time: 6pm - 9pm

📍Location: UNSW Roundhouse

□ Secret Extra Events 👀

Keep your eyes peeled for a LaTeX workshop in week 8. Particularly if you’re a MATH1231/1241 student who wants to use it to write their assignment! ✖□➗ ➕ ➖

There’ll be another special soldering workshop in week 8 where people can solder a musical device. 🎶

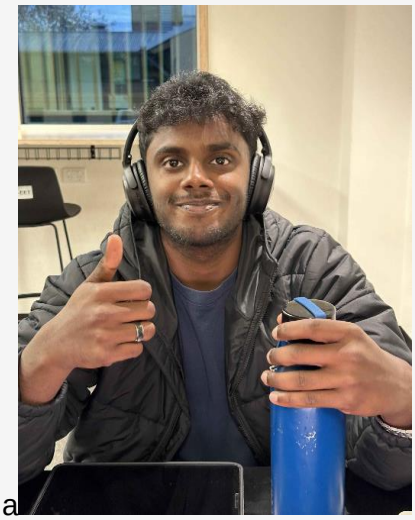
We’re planning a Hardware Flex for week 2 of T3, so if you or anyone you know has a cool electronics project they want to show off to the world, now is the time! And if you’re an aspiring hobbyist who’s been putting off that cool project idea, this is your signal to start building! ⚙️🔧

💼 ELSOC EXECUTIVE OF THE WEEK 💯

Welcome back to our weekly segment! This week, the publications team has been tasked with finding the best ELSOC EXEC MEMBER! It was an arduous task 😒but after much persistence we came to a unanimous agreement that there could really only be one obvious candidate.

David, our Vice President of ELSOC, is the heart and soul of our society! From leading the charge as Energy Systems Engineer for Sunswift to bringing the Mini Solar VIP to life, he's always making waves. And let's not forget his BBQ skills—seriously, no one grills like David! 🔥

As the favorite DESN2000 tutor, he's got the know-how and the charm to make learning a blast. The only thing he can't seem to manage? Keeping track of his ID card! 😂 If you find one lying around, chances are it's his. David's mix of expertise, fun, and a dash of forgetfulness makes him a true ELSOC gem! David, if you're reading this: keep it up big man.



That’s all for this week! Stay tuned for our upcoming events and our next newsletter! Stay grounded,

Brielle Papadopoulos | **she/her** | **President**
