ELSOC Newsletter

Term 2 Week 3 2024

From: ELSOC President
To:ug_all; EETstaff
Tue 11-Jun-24 12:34 PM

Dear EET Students and Staff,

Welcome back to ⚡Current Issues ⚡ - our second newsletter issue of Term 2, brought to you by ELSOC's Publications team. We hope the first two weeks have been a smooth transition back to the uni grind. Read until the end to find out more about the TRANSMISSION LINE OF THE WEEK- a much loved subject amongst most of us at ELSOC.

PAST EVENTS

Week One BBQ
Our Week One BBQ on Globe Lawn was a fantastic way to kick off the term. The event featured delicious food, great company, and beautiful weather. It was the perfect opportunity for new and returning students to connect and enjoy a relaxing afternoon together.

❄ **Toes Party Winter Wonderland** ❄ The Winter Wonderland Party transformed Potts Point Hotel into a snowy paradise. With a winter-themed decor, hot quesadillas, and festive drinks, it was a magical night of dancing and celebration. The cozy yet energetic atmosphere made it a memorable event for everyone who attended.

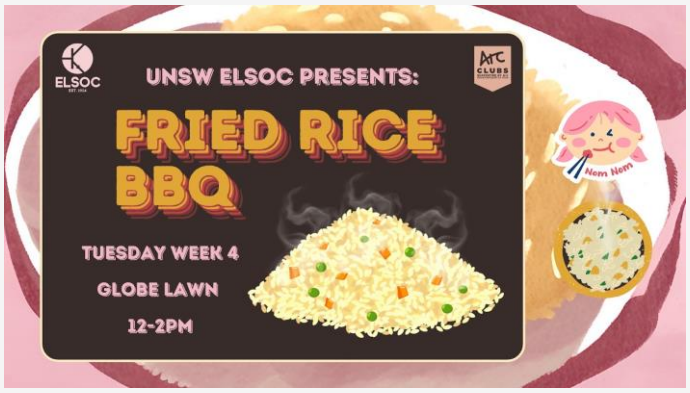
💻 **Hackathon** 💻
Kudos to everyone who joined us for the Hackathon! This intense event saw participants diving deep into coding challenges, collaborating on innovative solutions, and showcasing their tech prowess. It was a fantastic opportunity for all to learn, innovate, and network. Keep an eye out for our next Hackathon!

Pancake BBQ
Our Pancake BBQ was a delightful twist on the classic BBQ, held on Globe Lawn. Attendees enjoyed delicious pancakes prepared by our ELSOC chefs, creating a fun and tasty gathering for all. It was a sweet start to the day, filled with laughter and community spirit.

📚 **Book Giveaway** 📚
The Book Giveaway event was a great success, bringing joy and knowledge to our community. Participants had the chance to pick up some great reads, helping to promote literacy and a love for reading among students. It was wonderful to see so many engaged and excited about books.

UPCOMING EVENTS

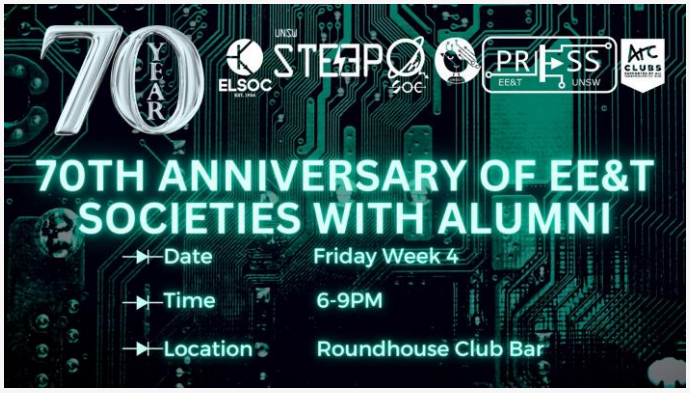
🍚 Fried Rice BBQ 🍚



At the Globe Lawn in week 4, embrace the FREE and SUCCULENT fried rice prepared delicately by the ELSOC chefs. Come enjoy the feast and the wonderful company of all your electrical besties.

Date: Tuesday Week 4 18/6/24
Time: 12-2pm
Location: Globe Lawn

🎈 70th Anniversary Alumni Night 🎈



What better way to celebrate 70 years of electrical engineering and telecommunication than with all our EE&T societies, QSOC, ELSOC, TWEET, STEEP and PRESS and alumni!!!

Date: Friday Week 4
Time: 6-9pm
Location: Roundhouse Club Bar

⚙ Industry Night ⚙

UNSW ELSOC is proud to present our 2024 Industry Night!

We invite all electrical and telecommunications students to come along on Monday Week 8 to this evening. This is a great opportunity to talk to experts in the field and learn from engineering professionals about career opportunities. Especially important for penultimate and final year students, this night will allow you to network and make new connections, find out about graduate roles, internships, and industrial training, and learn more about industry!

Register here: https://forms.gle/jHcxbBoUhdMkgbuF6
Date: Monday Week 8, 15/7/24
Time: 6-9pm
Location: UNSW Roundhouse

HIDDEN FOOD GEMS ON CAMPUS

Here are some of our most loved food recommendations:

- Yallah Eats: The Snack Packs are a must
- Home Ground Cafe: Try the $5 bagels!
- XS Espresso: We highly recommend the biscoff shake and the oven baked cookie dough
- Stellini's Pasta: Pastas for under $15, with so many vegetarian options as well

TRANSMISSION LINE OF THE WEEK

Today's transmission line of the week is EnergyConnect! Ever daydreamed about connecting the energy grids in NSW, Victoria *and* South Australia? I know I sure have… Well dream no more! This project is set to do just that with a new 900km of transmission line which will facilitate power sharing between the three states, improving the reliability and security of the energy supply!

EnergyConnect is being delivered as a partnership between Transgrid and ElectraNet, with Transgrid building the NSW component and ElectraNet building the SA component. If this is the type of thing to spark your interest, you can learn more from the link below!
https://www.transgrid.com.au/projects-innovation/energyconnect#Overview

OUTRO

Thanks for reading guys! Hope the new term has been treating you well! Don't forget to catch up on lectures before midterms roll around! (Yes, I'm talking to you. This is your sign to lock in.)
