Hi all,

I hope you had a great start to term 2! Our publications team has come out with another edition of our famous newsletter - make sure to check out our new merch! Enjoy!

-- WEEK 3 NEWSLETTER --

Hey everyone!

Welcome back to Term 2! We hope you've had a smooth start to your classes and are settling into the rhythm of the new term. Whether you're a fresh first year still navigating campus or a seasoned student powering through your degree, ELSOC is here to support you every step of the way!

As always, we've got a great lineup of events and recaps to keep you connected and supported through the chaos. Here's what's been happening in ELSOC and what you can look forward to next 🐰

PAST EVENTS

Fried Rice BBQ

We kicked off the start of term two with our infamous fried rice BBQ. It was great to see so many familiar faces and meet plenty of new ones! Keep an eye out for more BBQs later this term ๖๖.

Industry Night

Last Tuesday, ELSOC hosted our annual industry night! We were pleased to welcome over 50 industry representatives from more than 20 companies. We were also incredibly fortunate to have so many UNSW Electrical Engineering alumni at the event! A testament to the plethora of opportunities out there for graduates of our school.

Vivid Cruise

Last Wednesday, ELSOC, WIESOC, MECHSOC, CEVSOC and RAMSOC hosted a Vivid Cruise! We saw amazing views, cool light shows and some phenomenal dancing. The all white theme had people positively glowing and shimmering □. Stay tuned for the next big party with a couple engineering societies ;)

UPCOMING EVENTS

LT SPICE Workshop

Week 3 Thursday, 10am - 12pm, AGSM LG07

Get ready for your ELEC courses by coming to this workshop! You'll learn how to use LTSpice and create cool simulations.

POKER Night

Week 3 Friday, Tyree G16, 3pm – late

Join POKERSOC, ELSOC, RAMSOC and QUANTSOC for poker night, and get the chance to win up to $500 in prizes. Tickets are at the link in any of our socials, but hurry, because there's only 100 spots!

BJT Configurations Workshop

Week 4 Wednesday, EET201, 3pm - 5pm

Lock in for ELEC2133 with this masterclass on BJT Configurations. Perfect for everyone wanting to gain practical skills with BJT's. Sign up form will be coming soon, so keep an eye out.

Paint and Sip

Week 4 Thursday, 4 - 6pm

Take a break from your studies and relax with ELSOC <3. Get creative and show off your art skills while enjoying some delicious (and free) bevs!!

LaTeX Worshop

Week 4 Thursday, 3 - 5pm

Still think it's pronounced ‘latex’????? You need to come to ELSOC’s LateX workshop. IMPROVE your skills, ACE your assignments, and LEVEL UP your note taking.

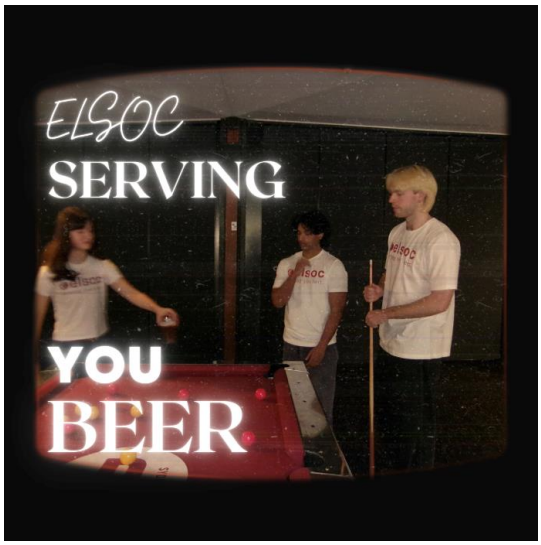
PCB Design Workshop

Part 1: Week 4 Thursday, 10am - 12pm, EET 201

Part 2: Week 5 Thursday, 10am - 12pm

Learn how to design and order a PCB using KiCad from scratch in part 1, and learn how to assemble and test a PCB in part 2! There’s 2 parts to this workshop!! To attend the workshop, you must be able to attend both parts and you must have the basic soldering badge. We will be using KiCad!! Register at the link in our socials.

MERCH RELEASE



Anddddd stay tuned for ELSOC's exclusive merch drop!! If you're running out of drippy clothes to wear to your labs, we've got you covered with some NEW FIRE t-shirts that have just been released. GET YOURS NOW! // https://docs.google.com/forms/d/e/1FAIpQLSdpuBfTrkMkkfVa2jJBa_tKa_FE4gJnUpEDfOUOOPX5YoiJwQ/viewform

Kind Regards,
