I would like to highlight our merch which our creatives team has been passionately working on - find the link here: ELSOC's Finest Winter Merch LINK.

Have a great week, only a few weeks before the end of term!

-- WEEK 8 NEWSLETTER --

HELLOO ELSOC FAMILY !!!

Welcome to a wonderful week 8.

It's Week 8, also known as the point in the term where deadlines, midterms, and existential dread start tag-teaming. It's perfectly normal to feel a bit overwhelmed😊. We're all in this together. But don't worry — it's also Stress Less Week, which means it's officially okay to pause, reset, and remind yourself that you're doing your best □. In other words, DOOMSCROLL📱. Taking breaks is the perfect remedy to getting rid of those nightmares on those wacky KCL equations.

With that in mind, ELSOC's got a few events to help you break up the chaos. Take care of yourselves, and we hope to see you around 💜
