

POSTED to EE&T ALUMNI
22 MAY 2025

NEW MEMBERS

ElecEng ALUMNI

UNSW Sydney

Sections: -- New Members -- Earlier Acceptances -- Alumni Registration -- Updated School Website -- Alumni Group Intentions

== INTRODUCTION ==

Apologies for the delay in approving the genuine graduates. The last intake was 22 Dec 2024. Our ctee & LinkedIn group managers have been in different work, family and life orbits.

Somansh Agrawal, a previous ctee member, prompted me about the backlog. A legend with a capital 'L', as always.

== NEW MEMBERS ==

We had 44 people request to join. Only 6 displayed the time through ElecEng on their LI profile. The other 38 were a mix of students, overseas qualified and AI generated blank profiles. This brings the member count now to 545.

- Abdulla Nasser
- Andres A
- Angus Worrall

- Carmine Gallotta
- Don Parker
- Elizabeth Gurung Tamang

Not in this quick A-Z list? Let us know so we can acknowledge you.

== EARLIER ACCEPTANCES ==

Also, welcome to the people I knew from the ElecEng course.

- Ian Gibson
- Mark Pace

FYI: The 22 Dec 2024 intake was:

- Arjuna Vijayanayagam
- James Bott
- Jinhong Yuan

- Matthew Priestley
- Peter Vickery
- Philip Allen

- Philip Mallon
- William Zhan

== ALUMNI REGISTRAION ==

Prof. Jinhong Yuan, HoS, shared the following through an email:

{
Hi Rob and all,

Thanks Rob for sharing this.

Fantastic to see 44 requests to join the UNSW EE&T Alumni group on LI.

BTW, Jolanta is updating the school website, and there is a link for Alumni registration and LI. See below.

<https://www.unsw.edu.au/engineering/our-schools/electrical-engineering-telecommunications/alumni-industry/alumni-registration>

Best Regards,

Jinhong

}

// HoS -- Head of School

// all -- current ctee

== UPDATED SCHOOL WEBSITE ==

a) Website - Click here:

<https://www.unsw.edu.au/engineering/our-schools/electrical-engineering-telecommunications>

b) The "Join our LinkedIn group" can be found via the Alumni & Industry menu item under the banner with the School's name.

Didn't find it? Click here:

<https://www.unsw.edu.au/engineering/our-schools/electrical-engineering-telecommunications/alumni-industry/join-our-LinkedIn-group>

== ALUMNI GROUP INTENTIONS ==

- a) Create an environment for the alumni to network and to share experience, knowledge, and memories
- b) Reconnect alumni to the school of EE&T
- c) Develop better networking opportunities for alumni to collaborate across industries and be involved
- d) Establish a link between the school and various industries
- e) Reconnect the alumni together and create a collaborative environment, including networking and social activities
- f) Provide a platform for the alumni to give back to the school by any means comfortably possible
