== INTRODUCTION ==

Hopefully, your spring project steps are still in phase with the current bursts of rain, wind and sun.

The next post will showcase EEnT's new LinkedIn page as my text will overflow the limit here.

== REMEMBRANCE DAY ==

As you may have figured out, April 25th was the leading edge of the square wave where the ANZACs went overseas to help out in 1915.

November 11th is the trailing edge in remembering the fallen across WWI that ended in 1918. The ending was officially signed in June 1919.

// ANZAC = Australian and New Zealand Army Corp
